Subject: Attestation of Airbus Testing Authorisation to Proceed

Dear Madam, Dear Sir,

You will find attached the Attestation of Airbus Testing Authorisation to Proceed referenced RP0931652 Ind. .

This Authorisation to Proceed is valid until end of November 2012.

Please note that this Authorisation to Proceed may be cancelled by Airbus in case of major incident(s) detecting on one or several test processes.

We wish you good reception and remain at your disposal for any further information or question.

The process concerned being subject to qualification, extension of this Authorisation past the current expiry date is not planned unless qualification is obtained in the meantime.

Yours sincerely,

Muriel Auzanne-Besnard
Procurement Quality System (PQDA)
Airbus Laboratories Qualification Manager

This Authorisation to Proceed is granted on the basis of the following:

APS has demonstrated willingness to follow guidelines of Airbus and there has been an historic technical relationship with the testing facility, showing evidence of the technical cognisance and expertise.

This Authorisation to Proceed is subject to the following special conditions:

- APS commits to provide Internal Homogeneity Studies.
- The Test facility commits to evaluate the continuous improvement observation coming from the Test Method Audit by desk referenced RP0931652.
- The Test Facility undertakes to perform test methods in accordance with AIRBUS requirements RP0931652 and those of the relevant standards listed above.
- The services are guaranteed to be in conformity with the industrial/technical dossier submitted for the investigation RP0931652 and those of the relevant standards listed above.

NOTE:

The Airbus Testing Qualification may be cancelled by Airbus in case of major incident(s) detecting on one or several processes.

The process concerned being subject to qualification, extension of this Authorisation past the current expiry date is not planned unless qualification is obtained in the meantime.
